More Than Accounting.

We help you move forward with confidence. At Velto, we combine powerful cloud-based tools with the expertise of real professionals — so you get more than just numbers.

You focus on growing your business. We'll handle the rest.

About Us

Irene Schulze

BCom, NWU | Professional Accountant (SA)

Irene founded Velto in 2025 with a vision to bring honesty, clarity, and trusted financial advice to clients across industries. She earned her BCom degree from North-West University in 2017 and became a registered Professional Accountant (SA) in 2021.

With a strong foundation in accounting and a passion for building long-term client relationships, Irene is committed to growing the firm and staying actively involved in the profession for decades to come.

Did You Know?

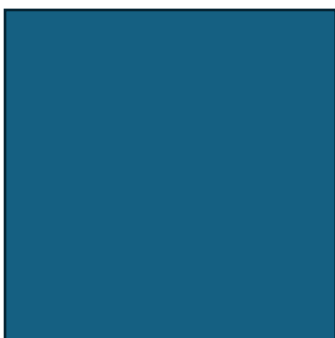

The name Velto is inspired by the Latin word “verus”, meaning true.

It reflects our core belief: that honesty, clarity, and trusted advice should be at the heart of every client relationship.

At Velto, we don't just deliver services — we handle the numbers, so you can focus on what matters most.
